

Package Truck Service Plans

Greetings Producers! Ontario Camera offers options to manage Grip & Electric equipment on set. Our friendly Swing teams are experienced with all the equipment in our trucks, capable to tech on set, and accommodate late hours. Our driver teams provide a safe and easy way to collaborate with existing G&E teams to handle Ontario Camera equipment, and manage rental pick ups/deliveries.

Global Calculations

- Billing begins from truck departure from Ontario Camera's doors and
- ends when the truck is returned back to OC.
- For multi-day shoots wherein the package vehicle is stored on set, a \$35 fee will be added to the total cost unless the vehicle is returned to Ontario Camera at the end of the shoot day via the driver or driver/swing.
- Swings are limited to 15 + 1 hour work days.
- Lunch and craft is to be provided by the producer.
